

C.E.L. for pharma
CENTRE FOR EXECUTIVE LEADERSHIP

Late Stage Pharma Lifecycle Management

Prepare for patent expiry with a winning LCM plan for established brands – Know which drivers of differentiation can be used – Learn where, when and how to compete in a generic world using late stage LCM strategies & tactics – Learn how to make portfolio management decisions for mature brands.

Dr. Neal Hansen

- Europe's most authoritative expert on lifecycle management strategies in the pharmaceutical industry.
- Leading consultant for superior decision making in LCM and brand strategy.
- A world-class speaker and trainer!
- Co-author of *Pharmaceutical Lifecycle Management – Making the Most of Each and Every Brand* (Wiley & Sons, 2012).

By Attending This Course, You Will

- 1) Understand product maturity and be prepared for what happens at patent expiry.
- 2) Know which drivers of differentiation can be used in a seemingly undifferentiated world.
- 3) Learn where, when and how to compete in a generic world using pricing and contracting strategies, authorised and own generic strategies, Rx to OTC switching strategies, etc.
- 4) Learn how to select the best tactics for your brand(s).
- 5) Be able to take portfolio management decisions at late stage.
- 6) Know how to build winning organisations in late stage LCM.
- 7) Gain insights from real world LCM case studies and benefit from Neal's insightful recommendations based on his unique background as a senior consultant in working on LCM solutions for many pharma companies.

Why You Should Attend

The Content: This is the only public course entirely focused on LCM in the later stages of a pharmaceutical's lifecycle. The content is based on the expertise Dr. Neal Hansen built through his numerous consulting assignments for pharma companies in the area of LCM, which culminated in a book he co-authored with Dr Tony Ellery (ex-Novartis): *Pharmaceutical Lifecycle Management - Making the Most of Each and Every Brand* published by Wiley and Sons in mid-2012. Neal enriches his course with insightful recommendations he has drawn from working on pharma LCM solutions, in a format that fosters interaction and learning.

The Expert: Not only is Dr. Neal Hansen highly knowledgeable about pharma LCM, he is also a talented speaker – very lively and passionate about this subject. He has worked globally with senior executives in the pharma industry across therapeutic areas and is very knowledgeable about realities in the national markets.

The Late Stage Pharma Lifecycle Management course is the only available public training course delivered by Dr. Neal Hansen on the topic of lifecycle management.

Who Should Attend

Brand Managers and their managers, as well as managers in related planning and intelligence functions dealing with mature brands.

As this course is delivered by Neal Hansen, Founder & Managing Director of Align Strategy - an independent international consulting business focused on advising and facilitating superior decision making in lifecycle management and brand strategy, executives from other professional service agencies should request approval prior to registering for this course. Please contact Annelies Swaan, Head of Business Operations, for more information (annelies.swaan@celforpharma.com, tel +32 (0)2 709 01 42)..

Agenda Day 1 – Managing Patent Expiry

10:00 Introduction & Scope of the Day

- The role of established brands in 2020
- A vision of success and the pathway for Pharma

15:30 Final discussion

16:00 Close

Learning Methodology

Neal is not only an insightful and inspirational speaker but also actively engages delegates in interactive discussions.

His interactive lectures alternate with group work exercises during which delegates can reflect on the theory and practise decision support techniques.

One of the most valuable aspects of attending any C.E.L.forpharma course is not only being able to have your specific questions answered by a leading expert, but also having the opportunity to share experiences and have in-depth discussions with your international peers.

How To Register

- 1.) Check our website (www.celforpharma.com) for the most recent course dates and fees.
- 2.) Click "Register Now" & fill out the registration form with your personal and company (invoicing) details.

If applicable please add your company's VAT number. We will include this on your invoice, which is needed for your company to reclaim VAT.

- 3.) Choose a payment method.
 - a. If you select "Pay by credit card" we will email you a pro forma invoice and secure payment link.
 - b. If you select "Pay by bank transfer" we will email you a pro forma invoice for you to process through your company's payment system.

- 4.) Click [Confirm Registration >](#)

You will receive an automatic confirmation email shortly followed by a personal email with your pro forma invoice and further payment instructions.

Included in the Registration Fee

- Course Material (Digital & Print Versions)
- Coffee, Tea & Refreshments During the Course
- Lunch During the Course
- A Group Dinner on the First Day
- Certificate of Attendance Signed by the Expert
