Learn from true industry experts and from your peers in other companies at C.E.L. forpharma's popular 2-day course on:

Health Economics for Non-Health-Economists

Lieven Annemans

ACQUIRE BUSINESS-CRITICAL COMPETENCIES IN YOUR FUNCTION

LEARN from Pharma’s international top experts

LEARN from interacting with your industry peers

"A very pragmatic and well-paced de-mystification of the ‘Dark Arts’ of Health Economics, providing a good balance of why and how, + some clear tools and techniques to apply."

Sanofi
Faye Dack
Head of Value and Access and New Product Planning
United Kingdom
Health Economics for Non-Health-Economists

Learn

• The full meaning of QALYs and ICERs, and how to calculate them.
• Commonly used health economic modelling techniques.
• Key principles of costs analysis and budget impact analysis.
• The 10 guidelines for conducting and reporting health economic evaluations.
• How to assess peer reviewed health economic articles.
• How health economic evaluations are integrated in clinical trial programmes.
• The use of health economic evaluations in pricing & reimbursement decision making.
• The importance of health economic evaluations along the innovation life cycle.

The Expert
Lieven Annemans

→ Prof. Dr. Lieven Annemans has conducted health economic evaluations in over 20 countries across a wide spectrum of therapeutic areas.

→ A unique profile: Academic professor, past-president ISPOR, consultant and former pharma executive.

→ Highly respected for his vast international and cross-therapeutic experience, Lieven is a much sought-after advisor and educator to health policy makers and the innovative healthcare industry.

→ Author of Health economics for non-economists (Pelckmans Pro, 2018).

• Exchange experiences and discuss issues with your peers from other companies, functions, therapy areas and countries.

What Participants Say About This Course

"One of the best courses I’ve attended this decade."
Roche
Frank Sima
Business Development & Market Access Manager
Austria (September 2018)

"If you work in a pharma company, you need to learn about this topic, otherwise you are not ready to cross-function."
AstraZeneca
Mohamed Aseed
Sr. Clinical Research Manager
United Arab Emirates (September 2018)

"Very useful training to get a good sense of HE modelling and strategy. I feel more confident to read HE papers and challenge my HEOR colleagues!"
Lundbeck
Alice Rouleau
Senior Epidemiology Research Manager
France (March 2018)
Day 1
